

رزومه دکتر امین آمالی به زبان انگلیسی

Amin Amali MD

Curriculum Vitae

Tehran University of Medical Sciences
Imam Khomeini Hospital Complex
Valiasr Hospital

Tehran, Iran

Date of Birth: 04/07/1976

Email: a_amali@sina.tums.ac.ir

PROFILE

Third rank in National board of Otorhinolaryngology, Head and neck Surgery 2008

Degreed and experienced within Otolaryngology

Extensive academic and practical experience in Rhinology, Facial Plastic surgery and Sleep surgery

Self-motivated with ability to initiate, plan and implement medical research

A first class communicator with effective time management skills

CAREER TO DATE

Associate Professor of Medical Sciences in otolaryngology department of Tehran University, Tehran, Iran (2015 – present)

Tasks undertaken included teaching students, doing medical research, and treatment of patients.

Private office

Member of Rhinology and facial plastic surgery section of scientific committee of Iranian society of Otolaryngology (2010-present)

Undertook programming and supervising of scientific programs of Iranian Society of Otolaryngology

Member of constituency of Sleep Research Center, Tehran University of medical sciences (2013 – present)

Undertook supporting and evaluating research project in different fields of sleep disorders

Member of board of directors of Iranian Sleep Society (2012 – present)

Undertook programming and supervising of scientific programs of Iranian Sleep Society

Member of Otolaryngology Research Center, Tehran University of Medical Sciences (2009 – present)

Undertook supporting and evaluating research project in different fields of Otolaryngology

Residents' program director of otolaryngology ward of Imam Khomeini complex Hospital (2012 – Present)

Responsibilities included planning and supervising the educational programs of the residents in otolaryngology

Administrator, Students Education Otolaryngology Ward of Imam Khomeini complex Hospital (2009-2012)

Responsibilities included planning and supervising the educational programs of the students in otolaryngology

Supervisor of Otorhinolaryngology clinic, Imam Khomeini Hospital Complex, Tehran University of Medical Sciences (2009-present)

Responsibilities included planning and supervising the educational programs of the residents in otolaryngology clinic, planning development program of clinic and requirement of medical equipments

Assistant Professor of Medical Sciences in otolaryngology department of Tehran University, Tehran, Iran (2009 – 2015)

Tasks undertaken included teaching students, doing medical research, and treatment of patients

Otolaryngologist Specialist, 10 day Hospital, Torbate Heydarie, Iran (2008-2009)

Responsible for treatment of patients and performing surgeries

General physician (2001-2003)

Samenoaeme Hospital, Mashhad, Iran

EDUCATION

Short course of Facial plastic and Reconstructive Surgery, Tehran university of Medical Sciences (April2013-october2013)

Participation in facial plastic surgeries was undergone by Dr Amir Arvin Sazgar

Short course of Sleep Surgery, Stanford University, USA (June 2014)

Observation of surgeries was undergone by Dr Robson Capasso

Specialty in otolaryngology, Tehran / University, Tehran, Iran (2004-2008)

Underwent four years of extensive studies in otolaryngology at Tehran University of Medical Sciences

Studied in medical sciences in Mashhad University of Medical Sciences, Mashhad, Iran (1994-2001)

Completed 7 years of Medical School

High School educations, National school of talented students (SAMPAD) (1991-1994)

KEY ACHIEVEMENTS AND GRANTS

Grants

the effect of endoscopic sinus surgery on olfactory bulb volume and olfactory threshold (Tehran University of Medical Sciences \$7100)

The effect of Stapedotomy in BC-Vemp in otosclerosis (Tehran University of Medical Sciences \$4000)

Replacing of the tissue engineering cartilage – polydioxanone (PDS) foil in the septum: An Animal Model Study (Tehran University of Medical Sciences \$1200)

Comparing effects of RFTA with UPPP in treatment of patients with mild to moderate obstructive sleep apnea (Tehran University of Medical Sciences \$10500)

PRIZE AND HONOR DEGREE

Honor degree for educational project from the forth Shahid Motaharee educational festival

Thesis

More than 30 fellowship, residency and internship thesis during 7 years

Peer Reviewing

Acta Medica Iranica 2011-present

Tehran University Medical Journal 2010-present

Journal of otology & rhinology 2012- present

Iranian Journal of Medical Sciences 2009- present

Journal of Sleep Science 2015-present

Articles

Value of cephalic part of lateral crus in functional rhinoplasty

European Archives of Oto-Rhino-Laryngology. December 2016, Volume 273, Issue 12, pp 4053–4059

Muller’s Maneuver in Patients with Obstructive Sleep Apnea

Journal of Sleep Sciences. 2016; 1 (4), 148-150

Frontal Sinus Patency after Extended Frontal Sinusotomy Type III

Iran J Otorhinolaryngol. 2016 Sep; 28(88): 337–343

Opium Addiction and Risk of Laryngeal and Esophageal Carcinoma

Iranian Journal of Otorhinolaryngology.2016. 29 (1), 19-22

Comparison of the aesthetic results of two common incisions in external rhinoplasty: A randomized trial

American Journal of Rhinology & Allergy . 30 (4), 310-312

Occult level IV metastases in clinically node-negative patients with oral tongue squamous cell carcinoma.

The Journal of laryngology and otology 2016.130 (5), 474-477

Translation, cultural adaptation, and validation of the Sleep Apnea Quality of Life Index (SAQLI) in Persian-speaking patients with obstructive sleep apnea

Sleep and Breathing 2016. 20 (2), 523-528

The Effect of Otic Melanocyte Destruction on Auditory and Vestibular Function: a Study on Vitiligo Patients

Acta Medica Iranica 2016. 54 (2), 96-101

Adaptation of the 10-Item Functional Outcomes of Sleep Questionnaire to Iranian Patients with Obstructive Sleep Apnea

Quality of Life Research 2016. 25 (2), 337-341

Long-term postoperative azithromycin in patients with chronic rhinosinusitis: A randomized clinical trial

American journal of rhinology & allergy 2015. 29 (6), 421-424

Evaluation of the olfactory bulb volume and olfactory threshold in patients with nasal polyps and impact of functional endoscopic sinus surgery: a longitudinal study
International forum of allergy & rhinology 2015. 5 (4), 356-360

Reconstruction of Midface and Orbital Wall Defects after Maxillectomy and Orbital Content Preservation with Titanium Mesh and Fascia Lata: 3-Year Follow-Up
Journal of Oral and Maxillofacial Surgery 2015. 73 (12), 2447. e1-2447. e5

Value of cephalic part of lateral crus in functional rhinoplasty
European Archives of Oto-Rhino-Laryngology, 2015. 1-7

Is human T-lymphotropic virus type 1 infection associated with hearing loss?
The Laryngoscope 2015. 125 (4), 956-960

Microtia reconstruction with irradiated homograft costal cartilage: A preliminary report
Indian Journal of Otolaryngology 2015. 21 (1), 47

The effect of radiofrequency turbinoplasty vs two other methods in the management of polypoid changes of the middle turbinate: a randomized trial
International forum of allergy & rhinology 2014. 4 (12), 1030-1034

Relationship between Pediatric Concha Bullosa and Septal Deviation
Otolaryngology–Head and Neck Surgery 2014. 151 (1 suppl), P126-P126

Coincidence of asthma and bronchospasm during anesthesia in tympanomastoidectomy.
Acta Medica Iranica 2014. 52 (12), 905-908

Assessment of Nasal Function after Tip Surgery with a Cephalic Hinged Flap of the Lateral Crura: A Randomized Clinical Trial
Aesthetic Surgery Journal 2014, 34 (5), 687-695

Spreader flaps do not change early functional outcomes in reduction rhinoplasty: A randomized control trial
American Journal of Rhinology & Allergy, Volume 28, Number 1, January/February 2014, pp. 70-74(5)

Diagnostic Value of Fine-Needle Aspiration in Head and Neck Lymphoma: A Cross-Sectional Study
Indian Journal of Otolaryngology and Head & Neck Surgery, January 2014, Volume 66, Issue 1 Supplement, pp 277-280

Evaluation of Distortion and Transient Evoked Otoacoustic Emission in Tinnitus Patients with Normal Hearing
Iranian Journal of Otorhinolaryngology, Vol.26 (1), No.74, Jan 2014

Translation, Validity, and Reliability of a Persian Version of the Iowa Tinnitus Handicap Questionnaire

Iranian Journal of Otorhinolaryngology, Vol.26 (2), Serial No.75, Apr 2014

Saccular Function in Otosclerosis Patients: Bone Conducted-Vestibular Evoked Myogenic Potential Analysis

Acta Medica Iranica 2014. 52(2):111-115.

Modified Extracorporeal Septoplasty: Using a Unilateral Curved Spreader Graft With a Septal Caudal Graft

Annals of plastic surgery 2014. 73 (2), 124-127

Olfactory Bulb Volume in Nasal Polyposis

Otolaryngol Head Neck Surg September 2013 vol. 149 no. 2 suppl P132

Temporal bone SCC and neck dissection

Int J Surg Case Rep. 2013; 4(7): 571–572

Temporal Processing Evaluation in Tinnitus Patients: Results on Analysis of Gap in Noise and Duration Pattern Test

Iranian J Otorhinolaryngol. Oct 2013; 25(73): 221–226

VEMP Produced by Bone-Conducted Stimuli: A Study on its Basics and Clinical Applications in Patients with Conductive and Sensorineural Hearing Loss and a Group with Vestibular Schwannoma

Iran J Otorhinolaryngol. Jun 2013; 25(72): 141–146

The Effect of N-Acetyl Cysteine on Laryngopharyngeal Reflux.

Acta Medica Iranica . 2013, Vol. 51 Issue 11, p 757-764. 8p.

Topical Application of Mitomycin C in the Treatment of Granulation Tissue after Canal Wall Down Mastoidectomy

Iran J Otorhinolaryngol. 2013 spring; 25(71): 85–90

Religious Practices and Rhinoplasty in Iran

Plastic & Reconstructive Surgery. July 2012 – Volume 130 – Issue 1 – p 223e–224e

Audiological Manifestations in Vitiligo Patients

Iran J Otorhinolaryngol. 2012 Winter; 24(66): 35–40

Microtia Reconstruction

Otolaryngol Head Neck Surg. August 2012 vol. 147 no. 2 suppl P41-P42

Passive smoking and nasopharyngeal colonization by Streptococcus pneumoniae, Haemophilus influenzae, and Moraxella catarrhalis in daycare children

European Archives of Oto-Rhino-Laryngology April 2012, Volume 269, Issue 4, pp 1127-1132

Histopathologic characteristics of inferior turbinate vs ethmoidal polypin chronic rhinosinusitis

Annals of Diagnostic Pathology, Volume 15, Issue 4 , Pages 233-236, August 2011

Large Lipoma of the Larynx: A Case Report

Acta Medica Iranica 2010; 48(5): 353-356.

Huge Myxoid Liposarcoma of the Esophagus: A Case Report

Acta Medica Iranica 2011; 49(2): 118-121.

The comparison of histopathological characteristics of polyps in asthmatic and nonasthmatic patients

Otolaryngol Head Neck Surg May 2009 vol. 140 no. 5 748-751

Citation of over 96 in major journals

RECENT INTERNATIONAL PRESENTATIONS
